

Welcome to Green
Lane School

Welcome to Green Lane School. Your child will be joining one of our Reception classes - Ladybird or Dragonfly.

We follow our own bespoke curriculum which reflects the Development Matters guidance. We have a sensory based approach to learning.

We provide lots of opportunities for hands on learning, encouraging children to engage in a wide variety of sensory experiences. We enjoy learning both indoors and outdoors each day.

Your child will have a home/school communication book which will be sent home at the end of each day. We also use Evidence for Learning, an online learning journal which will allow you to see photographs and videos of what your child has been doing in school. We love to see what your child has been up to at home and encourage parents to contribute to this.

Throughout the year, we will be holding stay and play sessions, as well as other events such as coffee mornings and workshops. This will be an opportunity for you to come and see how your child is getting on at school, to meet other parents and to learn new strategies to support your child at home.

Here is an example of our daily timetable:
