Parent Survey Analysis- June 2026

You Said…	We did…
EFL to be updated weekly	• Continue to monitor and encourage staff to update weekly
The carpark is an issue	• We have raised it with the LA and continue to have conversations with the LA
The curriculum isn't relevant to meet future needs.	• This is always a priority but we will continue to build on this. • There is a review of the KS4 curriculum for September which will enhance life skills and personal development and independence. • KS3 have had a huge drive with careers and life skills is embedded thoughout the primary curriculum
Writing in home school book every day	• New communication books for lower school for September which makes it easier to share key daily information.
More parent training	• Training package is reviewed and updated based on parent and family needs. We will continue to share this information and courses.
Parents evening feels very rushed	• From September lower school and upper school will be on different nights. • This year there was an option for a phonecall which will continue. • Parents can always book for a further meeting with the class teacher if you required in addition to AR meeting.
Better communication for upcoming events	• Key events and dates will be sent termly from September • Key events will be shared on facebook and the school website
Where to go if questions have been unanswered rather than keep badgering staff	• Continue to go through the office or request a phonecall with the class teacher or safeguarding team
